Additional Township Solicitor Business

42. Proposed Ordinance Introduction - Cranberry Township/Jackson Township - Municipal Boundary

Cranberry Township and Jackson Township share a common boundary at the northern and southern limits of their respective municipalities. Because neither municipality possesses its original charter, conflicting information has appeared over time in property deeds, development plans, and tax maps regarding the precise location of the shared boundary. To resolve uncertainty, both Townships have jointly reviewed available records and reached a mutual understanding of a defined boundary location. The next steps in the process include a joint public meeting on August 19, 2026, and consideration of adoption of an ordinance at a future Board meeting.

Mike Palombo, Township Solicitor, reported that both Cranberry Township and Jackson Township have reviewed the boundary line information and tried to establish the boundary line along current property lines. Mr. Palombo reminded the Board that the upcoming Joint meeting with Jackson Township will be on Wednesday, August 19, 2026, at 7:00 pm at the Cranberry Highlands Golf Course to receive public comment on the ordinance.
